

## RT - VALUE PROPOSITION - We are NOT a content marketing company.

### **What we do.**

We create unique-to-you, hyper-targeted customer engagements, AI discoverability strategies, and utilize speed-to-lead systems to make growing companies more profitable and more trusted, while turning their deep knowledge into unique customer acquisition tools.

### **How we do it.**

ReadTomato™ empowers growing service businesses by making them easier to find, easier to trust, and faster to respond. We promote your real expertise, strengthen AI discoverability, and tighten your lead follow-up so you can win more customers and become more valuable, over time.
